Press Release

TITLE: Walls receives Wound Care Certified Credentials

Clarksville, TN,

Melody A. Walls, ACNP-BC, has successfully completed all requirements needed to be certified as a Wound Care Certified Practitioner. As a Board Certified Acute Care Nurse Practitioner, Ms. Walls is trained to diagnose and treat a broad range of illnesses in children and adults of all ages. She brings over twenty years of experience as a Registered Nurse and Nurse Practitioner. With additional training as a Wound Care Certified Practitioner by the National Alliance of Wound Care, Ms. Walls is qualified to work closely with patients and other medical practitioners to plan and provide care for patients with complicated wounds, pressure ulcers, and potential skin care problems.

Skin and wound management includes the identification, assessment, management, prevention, and continuing evaluation of patients with alterations in skin/tissue integrity, that includes but is not limited to pressure, vascular, arterial and diabetic ulcerations, as well as skin conditions resulting from incontinence, surgical procedures and / or trauma. Skin and wound management is a specialized area that focuses on overall skin care, promotion of an optimal wound environment, including prevention, therapeutic interventions and rehabilitative interventions.

Ms. Walls has been with Premier Medical Group in the Travel and Occupational Medicine Department, located at 2831 Wilma Rudolph Blvd. for more than four years. To make an appointment, call (931) 245-8694.
